**INDEPENDENT AUDITOR'S REPORT ON REVIEW OF
ABBREVIATED
SEPARATE INTERIM FINANCIAL STATEMENTS
FOR THE PERIOD 1 JANUARY 2016 – 30 JUNE 2016**

To Shareholders and Supervisory Board of ZUE S.A.

We have reviewed the attached abbreviated separate interim financial statements of ZUE S.A. of Cracow, ul. Kazimierza Czapińskiego 3, comprising statement of financial position as at 30 June 2016, statement of comprehensive income, statement of changes in equity, statement of cash flows for the period from 1 January 2016 to 30 June 2016 as well as notes to the financial statements, including information about applied accounting policies and other explanatory notes.

The Management Board and the Supervisory Board of the Company are responsible for the compliance of these abbreviated separate interim financial statements with the requirements of the International Accounting Standard 34 "Interim Financial Reporting" as approved by the European Union ("IAS 34") and other applicable laws. Our task was to review the report.

We have reviewed the financial statements pursuant to the Polish financial auditing standards published by the National Council of Statutory Auditors. These standards require that we plan and perform our work to obtain reasonable assurance about whether the separate financial statements are free of material misstatement.

We have reviewed the financial statements mainly through the analysis of the data disclosed in the financial statements, inspection of the accounting records and use of the information provided by the management and people responsible for the Company's accounting and finance.

The scope and method of the review of the abbreviated interim financial statements are significantly different from the audit underlying the opinion on the consistency of the annual financial statements with the applicable accounting principles (policy) and their reliability and transparency. Thus, we cannot issue such an opinion on the attached financial statements.

On the basis of the conducted review, we have not identified anything that could prevent us from stating that the abbreviated separate interim financial statements have been prepared in all material aspects in accordance with the requirements of IAS 34 "Interim Financial Reporting" as approved by the European Union.
